GOING INTO HOSPITAL

Please do let the parish priest know if you are going into hospital. Furthermore, it is ESSENTIAL that you ask for the Catholic chaplain when in hospital. Chaplains are often no longer automatically given the names of Catholic patients. Many health care providers (e.g. Hospitals, Nursing Homes, Mental Health Units) apportion resources for chaplaincy in line with how many requests are made so you are actually doing the Church a favour by requesting the chaplaincy and sacraments whilst in hospital.
