SICK LIST NOTICE:

If your name or the name of a friend or relative of yours is on the parish list of prayers for those who are sick, and you would like that name to remain on the list, would you please contact either Jenny Parker or Margaret Lawes. We need to make sure that you or your friend or family member has consented to their name being on that list. This is because the list can be seen by a lot of people, as it is available for anyone to pick up in church and is also published on the internet through the parish website. In a couple of weeks, the list will be restarted with the names of all for whom consent has been submitted. This is necessary to make sure the church takes proper care of your information and complies with current data protection law.
