**Message from a French Family:** We are looking for a British family interested in organising a child exchange for languages purpose. We'll be happy to welcome a British child and help him improve its French and discover the French culture. And in exchange, we would send our child to stay with the family and improve its English and discover the British culture. We've got three children, but only two would be old enough to enjoy this experience : Our eldest son Thomas, is 15 years old (born in 2004) and our daughter Alix , 13 years old (born in 2006).

We are first looking for a family having a boy of the same age as Thomas that would be interested in an exchange OR interested in welcoming Thomas as a paying host next June 2020. Any families that would be interested, please contact us. We thank you very much for your help. Best regards, Philippe & Sophie Lasnier Thomas, Alix and Émeric,92 rue du Bataillon de France, 60200 Compiègne, France.
